

Selected Bibliography

[This bibliography which I have added to the present translation of Mou Zongsan's *Nineteen Lectures on Chinese Philosophy* lists some English-language works that provide background on the philosophers and issues discussed in Mou's book. Except for works by Mou Zong-san cited in the *Nineteen Lectures*, Chinese-language sources are not included. These can be found in bibliographies of many of the works listed here. –JLW, 2011, 2014.]
